

Joan E. Nippa

April 29, 1930 - August 9, 2020

Joan E. Nippa, 90, died Sunday, August 9, 2020 in Columbus Ohio, one month and a day after the death of her husband, Russell Nippa. They had been married 69 years. She is survived by sons Mark (Pamela), Paul (Doris) and David (Jeanie); eight grandchildren and one great-granddaughter. Joan was born in Detroit, Michigan to Clarence and S. Gertrude Cartmill. She graduated from McKenzie High School and attended the University of Michigan in Ann Arbor. She then met and married Russell Nippa and enjoyed living in several communities as they relocated to towns in Michigan, Minnesota, Illinois and Ohio. She has lived in Dublin, Ohio for the past 38 years. Joan was a wonderful homemaker and hostess and a devoted wife, mother and grandmother. She was also pleased to have recently become a great grandmother. Joan had many friends and enjoyed traveling with her husband, which included years of spending the winter months in Florida. She will be greatly missed. Burial will take place at Acacia Park Cemetery in Beverly Hills, Michigan, and a memorial service will be planned at a later date when it is safe to gather again. Memorial gifts may be directed to the New Hope Church Endowment Fund (4739 W. Powell Rd, Powell, OH 43065), which her husband, Russell helped establish to support area Christian ministries.

“ *Dear Nippa Family,
Our thoughts and prayers are with you as you grieve both the loss of your mother and your father. They were both such a blessing to our church, as Rob and I often thought as we taught Sunday School in the "Nippa room" that honors their efforts. We admired your mom's commitment and spirit during your father's long illness and will miss seeing her at the coffee hour in church, when we are able to share those moments again as a church family.
sincerely,
Martha and Rob Whittington*
