“ Joan was a part of the lives of my family at a very difficult time. In every contact that we had with her she was selfless, gracious and caring and beneath those qualities was an obvious strength and confidence that surely aided her when she repeatedly reached out to help others. Our son Zack was a "Wish Kid" in 1997-98 and Joan and her whole family were involved in the fulfillment of Zack's wish through donations of time and finances to complete the restoration of his 1976 Corvette. The wish is a cherished memory for my whole family that will stay with us as long as we live. From the initial lunch that Zack and I had with Joan and Susan in Dublin to the home visit with our family from Joan and her son Jay, we all found her to be warm and compassionate. The extensive work that Ed and Ritchie did on the car was done with great care to produce a vehicle for Zack that is a wonderful reminder of our son. This world and the Central Ohio community will greatly miss Joan and will long remember her many contributions to the improvement of the quality of life in the Columbus community. I thank God that we were able to have known her even if only in a small way. May the Lord bless your family as you remember and celebrate a life well lived in the service of others. “ I have always had fond memories of Mrs. Eggspuehler. Growing up in Brookside with Brad, I spent a lot of time at their house. She was always very nice to me, despite the trouble Brad and I caused. I remember she was the cool Mom; she let Brad have a messy room. She said, “He should be embarrassed. But if he wants to live in that mess, it’s his problem.” I am sorry for your loss. Bob Zepp

“ My sympathies to the family and friends of Joan. She will be missed. Jack, you’re a trooper and as loyal and loving husband that I’ve known. You are an inspiration to me and demonstrated on any number of occasions what devotion and unconditional love truly mean. Jay, we’ve known each other for many years and your sacrifice of your kidney for the benefit of your mother also demonstrated your devotion to family. I will pray for all of you and wish you the comfort of god’s will and understanding. I am so sorry that this has happened and thank god for Joan’s influence and contributions to you, her friends, and the greater community. She will be missed.

“ Dear Uncle Jack, Jay, Pete and Brad -- My heart is broken. I loved your mom so very, very much. I would never have survived Ohio State without Aunt Joan to give me advice, take care of me after my appendix burst, let me treat the garage apartment like my personal getaway from campus, meeting me for occasional lunches between classes and so much more than I can ever say here. Please know you are all in mine and Bill's hearts and prayers at this time. Aunt Joan was a special lady. Without her in my life, I wouldn't be the woman I am today. We love you all.
