“ *To Don, Jenny and all the rest of Joan's family, Please accept my heartfelt sympathy on the loss of your very special wife, mother, and grandmother. Joan and I worked together as school psychologists for many years and even after her retirement, we kept in touch through the school psych bookclub. I will miss her adventurous spirit, her love of travel(to Russia!) and Lakeside, and her wonderful sense of humor. My thoughts and prayers will be with you as you celebrate her life on earth and her transition to her new heavenly life. I am sure that she is now at peace. Libby Kennedy*
