“ *My condolences to John and family. I worked with Dee at AHOW. We had the love of our Cavalier King Charles Spaniels in common and we also liked to laugh. I'll never forget Dee talking about all the trips she'd taken over the years with John, whom she expressed often that she loved dearly. We're thinking of you during this difficult, but reflective time.*

“ Our family wishes to express our condolences to Dee's family. We have enjoyed visiting her at the Animal Hospital of Worthington where she groomed our Schnauzers. All three of our pups (Silver Mac, Lady Jasmine and Blaze) enjoyed their time with their friend. They will all be happy to see their friend again at the Rainbow Bridge. Dee was a person we all should feel blessed that we had the opportunity to know. The McMillan's: Bonnie, Mark and Susan
