

Joanne M. Schindelar

March 6, 1953 - June 9, 2022

Joanne M. (Princic) Schindelar, 69, of Dublin, Ohio, passed away peacefully at home surrounded by her family after fighting a recurrence of metastatic breast cancer for over five years.

She is survived by her husband of 45 years, John, daughters Jessica and Megan (Jordan), and her beloved dog, Bailey; her brother Richard (Susan) Princic, sisters-in-law Barbara (Ken) Mawby, and Patricia (Edward) Stupka, and brother-in-law Robert (Roseanne) Schindelar; and many beloved nieces, nephews, and great-nieces and nephews.

Joanne is preceded in death by her parents Tony and Eleanor Princic, her father- and mother-in-law John and Margaret Schindelar, and her niece Sara Princic.

She was born in Cleveland, Ohio and grew up in Willoughby, Ohio. She graduated from Willoughby South High School in 1971, before attending Mount Union College for two years. She met and fell in love with her best friend and partner, John in 1974 and they were married in Chardon, Ohio in 1977. Together they moved to Rocky Mount, North Carolina in 1980, where both of their daughters were born. Ohio called them back in 1986 and they settled in Dublin.

Joanne devoted her time to her most important job: raising her young daughters, before returning to work part-time when the girls started school. In 1997, she returned to work full-time, serving as the office manager for Wright & Moore Law, where she worked until she retired in 2018.

She was an avid golfer. Whether she was playing in couples league with her favorite golf partner, John; traveling with friends to Oglebay, Myrtle Beach, Las Vegas, and various courses throughout North and South Carolina; or playing in and organizing ladies' leagues, Joanne spent as much time as she could on the golf course. Golf was not just a sport to her; it was a social lifeline. When she wasn't on the golf course, Joanne loved spending time at the beach – and brought family and close friends together every summer to her happy place, Emerald Isle, North Carolina. She loved nothing more than spending a week with her toes in the sand, watching the ocean, and connecting with her loved ones. She took great pride in her yard, spending many hours working in her flower beds, planting and tending her garden, and relaxing on the patio under the shade of the trees watching the birds.

The family will receive visitors and celebrate Joanne's life on Saturday, June 18 from 2:00-5:00pm at Rutherford Funeral Home in Powell, Ohio (450 West Olentangy Street, Powell, OH 43065). In lieu of flowers, please consider a donation in Joanne's memory to St. Jude Children's Hospital (Memorial Giving, 501 St. Jude Place, Memphis, TN 38105).

“ I met Joanne just after a year into learning to golf. She was the President of the Wed ladies league at Mill Creek. We drove together to Myrtle Beach one year for a ladies week of golf. I'll cherish that drive time we had together, along with the time we were roommates at Oglebay, on another ladies golf trip. Three things, out of many, come to mind that I learned from my friend, Joanne. Top Flites are top rocks, Lantanas really are GREAT annuals, and “just hit it,” her best advice, when contemplating whether to lay up! Lol Will forever miss her. Heartfelt condolences to John, family, and, of course, Bailey.

“ *Thinking of Joanne always makes me smile! I'm remembering gleeful toddlers finding eggs and Easter Baskets in Rocky Mount, so long ago! I'm glad we could spend those last couple of days together with Joanne, John and the girls at the beach in Emerald Isle. Joanne will always be my first sister.*

“ No words can take away the sadness. My love goes to all of you. I was a golf buddy. Loved to play with her. She made me laugh and told me just how she felt during our after golf stops on the patio. Joanne truly fought this cancer. She is at peace. Two memories. Clover Valley with the cows and a little 'birdie' juice and Joanne always hit the ball down the middle of the fairway

“ I, too, knew Joanne from the earliest days, and she was as much a part of my family as my own. Memories of elementary school, marching band, classes at South High, shared ups and downs, weddings, all of those memories are intertwined with Joanne and my heart is broken. But I am grateful that her pain is over, and will cherish every memory, as I know her family will as well. Love to John and the girls.

“ *So sad to hear of Joanne's passing. There were many Sundays and holidays when her family visited our farm near Oberlin. My most vivid memory was playing ice hockey on the pond in our teenage years, when we crashed into each other. Poor Joanne broke her collarbone as a result. I can't remember the aftermath, but she was always a good sport.*
