“ *Your mom was one of the kindest, gentlest, most loving woman I have ever met! I was so grateful to work for your dad at the Pharmacy from the time I was 16 years old until I graduated from College at OSU!*

*Your mom was always gracious to each of the Overbrook Pharmacy employees and I was blessed to have known her. Working at Overbrook was the best jobs I could have ever had in high school with the best boss and his family a person could ever ask for!!!*

*Danny, John, Brian and Tim, I wish you the very best as you know your mom has been promoted to Heaven and is happily in your dad's arms once again!*

*Blessings to you as you navigate this new chapter without your mom until you meet again in Heaven!!!*

*My email is pspejoy56@gmail.com and my cell phone in Kansas City is 913-956-9988. If you ever get out this way or care to communicate via phone call, text or email, please do or Facebook! I would love to find out how all the boys - kids and grandkids are doing these days!*

*Warm regards,

“ Joanne took me into their family, their home, their holidays, their birthdays, and their post OSU game outings, just like I was one of their kids. Countless smiles, hugs, and acts of kindness she extended to us through the years. Jim and I are grateful for her friendship, the laughter, and the memories. Our condolences to all of the Reid family and friends.

“ We would like to express our sincere condolences to you and your family. With deep sympathy, we share your sorrow, after the tears have dried and the goodbyes have been said, all we have to hold onto are the happy memories that we've shared with our loved ones who have passed, this is what keeps them alive in our hearts and in our minds, and they will continue to live on, through us. May God give you the strength to endure the pain you are going through and may he embrace you and comfort your family during this difficult time."Jesus said to her: 'I am the resurrection and the life. The one who exercises faith in me, even though he dies, will come to life.'" - John 11:25
