“ Molly (and family) - What an absolute delight your Mom was! I considered myself so blessed to have met her, chatted with her, learned a couple truisms from her patient but very deliberate instruction. And her "shimmy" and charm. She lit up Avalon on Sundays for me. God bless and console all of you and have mercy on her soul! Teresa. (St. Michael)

“ Dear Molly and family, I was so sorry to learn that your Mother has passed. She was a special lady and I got to know her well at our Friday Line Dance Classes. She was always helpful and always welcomed new people to the dance floor. She was almost like the official "greeter." I enjoyed her planned Happy Hour outings and always enjoyed her bubbly personality. Joanne will be missed by all those that knew her. Fondly, Linda Halverson
