“ *McHenry family and Schwartz family members: Unfortunately I did not hear of Joe's passing until March 15th, as I was away on vacation. I think you all know I would have been there if I were home. I am saddened by his passing, I did not even know he had been ill. But I am sure he is at peace now. I have lots of fond memories riding to High School with Billie and Joe, the Worthington Pool days when he was a life guard. and the fun times growing up on Morning Street. Take care all, and remember the good times.*

“ *I have know Joe for almost 35 years, he was my father Judd Huddleston's best friend and very close friend to my mother for numerous years. Joe was an amazing fabricator of boats and love to be on the water when we wasn't making something for someone else. Joe had a huge love for life and has touched so many people in his life and he will be missed by so many! RIP Joe, We Love You!*

Jenee Huddleston-Guy - February 26, 2015 at 06:08 AM

“ *Joe was a lifesaver so many times with out boat. The time our rudder broke on Lake Erie during a squall and we beached the boat; the time we were T-boned by another boat during a red cup race. Joe always put it back together. Whenever anything happened, it was always, Call Joe. He is going to be missed by everyone in the club. He was such an easygoing gentle man.
