“ *Dear Nancy, Steve and Wanda and your families, we are very sorry to hear of the loss of your dad and send much love and comfort your way. We are so grateful that hospice was there to ease the transition and that you and your dad were able to spend so much time together. He was a special man and it was wonderful to have grown up with all of you and your mom and dad. Our families and parents had so many years together and those we will remember with love.*
