“ *Mr. & Mrs. Warren I missed you at the calling hours yesterday. I did get to meet and talk with Judy. All of us here at the shop are saddened by Joe's passing. In our senior year at BV, Joe and I had a stupid disagreement in drafting class. I think we both regretted it and finally talked about it a few years ago. Over the last 5-6 years Joe and I got to know each other better as we talked about county politics. Sometimes he would stop in the shop just to talk. I felt like he trusted me as he shared concerns he had about others and their treatment of him. Joe was an interesting person to know. Several years ago I was given the job to get rid of a coin collection of my aunt's. Joe came to the shop and spent many hours inspecting, pricing and helping me sell these. For this he would not take any pay. He did it as a friend. I will miss him. Take care. Dave Bauerle*
