“ *I just learned from Betty about John's passing. I am so sorry. You and John were thought of often when we remembered our times at The Orchards. That time was too short in our lives. Tim and I always looked forward to catching up with our Ohio friends. And I remember the time you and John were going to visit us in Florida and we had to cancel at the last minute. Cancer had intervened and we had a battle to fight. John lived so many years with his heart problems but he was always the Energizer Bunny. You both lived life to its fullest. Thank you both for being such good friends and I wish the best for you and your family as you pick up the pieces of your life and move on to the next phase.*

With my sincere condolences,
Joyce (and Tim) Cochran

“ Mary, so sorry to hear of your loss. John was such a kind man. He always had a joke. Bob remembers one time when we were packing to come home, he was bringing things we had just bought into the condo to pack for the trip home and John was sitting outside and saw Bob, John said "I thught you were leaving not moving in." We will always remember the both of you.
Our thoughts and prayers are with you
