“ To Molly and the Boys; On behalf of the St. Francis DeSales High School community I extend our prayers during this very difficult time. The true measure of a Man's legacy resides in his family and his ability to be Christ-like to those he touches. There is little doubt that your husband and father was a true difference maker. The world is a better place due to his love. May you find peace in knowing that Andy has joined the community of Saints. The SFDHS community holds you in our prayers. Respectfully, Dan Garrick

“ *We've only been members of St. Timothy for about a year and half; but early on, when we didn't know alot of people - Andy made a nice impression on us quickly. My husband attended a Men's Club event and didn't know anyone. Andy was very open and welcoming to my husband. It was very much appreciated and we won't forget it. We also saw Andy and his family quite often at Mass and could tell what a close and faithful family they are. Our prayers go out to his wife and children and I hope that faith will help them through this very difficult time.*
