“ John worked hard to find a blessed life in Ohio. I remember when he decided to go to school to make a better life for himself. We both realized It took hard work, toughness and courage to leave that comfort zone of Philly and go somewhere new without knowing anyone and John was all-in. John inspired me to do the same thing as well. It seems to me that God and the universe have a way of rewarding those who work hard and progress in a positive way. John was loving, humorous, empathetic, generous and positive. Little did John know when I saw him pack up for his new life in Ohio that God and the universe were about to bless his new life with great new friends and best of all, true love with his soulmate, Heidi. John's light will always shine for us and especially Heidi, in hearts, memories and spirit.  
His spirit was immense! Like a soulful, Irish supernova!  
John is your special guardian angel Heidi and he'll still be dedicated and devoted to you forever in spirit as he was on earth. God bless you Johnny. Love your brother Danny.

*I have worked with John for many years and I am truly hurting that I will never see him again. He would always stop on this way to his desk and give me some quip to make me smile. He will be dearly missed.*

“ Heidi,

*Jeff Bundy informed me of Johns passing. John was a great friend and roommate . You were such a blessing for him and I'm sure you two made the most of his time with us. I loved his Philadelphia moxy. He brought a smile to my face every time his name came up in conversation over the last twenty years I lost contact with you two. My thoughts and prayers are with you.*

“ Heidi - I'm heartbroken to hear about John. I was thinking today about the Indians game we went to and I brought tickets to Bon Jovi instead of the Indians tickets. John never let me forget about that one! You could always hear John coming with his cowboy boots. I'll miss that sounds.
