“ *Dear Jo and family, Remember me from Harbourside Condos? I was just reading Wednesday's Examiner and saw that John has passed. I think of you two often and will keep you and your family in my thoughts and prayers. I remember seeing John on TV a few years ago, holding animals for Jack. I felt almost famous! I told everyone I knew... "that's my old boss!" Please do not hesitate to email me or call (937)843-6271, if you need an "ear" or a "shouler". Love, Sharon*

“ *I graduated with John from Bellefontaine High School in 1955 and departed there in 1957 for a military career that expanded to 30 years. I always looked forward to our Class Reunions when those that could attend were there. John will be sadly missed in 2010. My sympathy goes out to his family that will greatly miss his presence. He is now with God forever.*

“ Jo, I haven't met you but heard a lot about you and the Zoo. John was a very patient man. He helped me so much when I transferred to Pickerington from the Reynoldsburg office with all my computer needs. It was just good to see and talk to him. I love Sedona and go there when I can and learned he knew the area well and enjoyed it, too. Special blessings and memories to you and yours. Jean Saunders

“ Judy, I am sorry to learn of your brother's passing; I know how much you loved him and all of his family and understand the void he has left in your life. From our high school days to even the last time I saw you, it was always about "John and Jo" and the kids. You are so fortunate to have had such a good brother and friend. Thinking of you and am sorry for your loss. Pam
