“ *Sheri, Laurie and Pat,*

I am so sorry to hear of John's passing. When we were growing up I remember thinking that John was a 'giant' as I had never seen anyone quite that tall. The entire Dietsch family was so good to us, especially our grandmother Sarah.

I am thinking of you and the entire Dietsch family during this difficult time.

“ Sheri and Laurie,
We were saddened to hear of your dad's passing. Mom saw the obit this morning and pointed it out to me. I'm praying as I write this for God's comfort as you grieve and for his peace that will guard your hearts as you pour out your hearts to Him. (Philippians 4).

One memory of you guys that stands out is the volleyball team party at your folks' house - maybe in middle school - when we listened to/watched Grease and danced & sang super loudly and obnoxiously Go Greased Lightning, Go! :) Your parents must have been amazingly tolerant to allow our chaos!

Blessings to you both.
