“ To the family of John J. Duffey, John was a superb lawyer for whom I worked and from whom I was privileged to learn as a young law clerk and associate attorney. No question but that I am the attorney I am today in large part due to the mentoring that John provided to me in my most early and formative years as a young attorney. I have wonderful memories that I treasure and with much gratitude.

“ John was indeed a treasure in the City of Worthington. I recall giving him rides home after City Council meetings when his health no longer allowed him to drive. I will always remember the conversations. He taught me much.
