“ *Dear John, We send a final note of thanks to you for all of the many, many things you did for Linda and I, Pantograms, and Uniform NameTape Co. during your long employment with us. We still enjoy seeing and enjoying so many projects and improvements that you did. I've missed you since you left the Tampa area. I wish I could have told you that. Rest in peace. JC*

“ *John 'ol buddy, may you find your place now and forever. Thanks for being a friend while we whittled away the hours and days in early Pantograms days! Have a good one!*

“ *Uncle Johnny, Thank you for being part of my life and allowing me to spend your final days with you. You will be missed dearly. You are with God and the rest of our family, tell Dad I said Hi. My prayers go to you and your kids. May peace be with you. Death is not the end Death can never be the end. Death is the road. Life is the traveller. The Soul is the Guide ... Our mind thinks of death. Our heart thinks of life Our soul thinks of Immortality.*

“Dad, We love you. We will take good care of CatCat for you. We know you are dancing with the angels. Come visit us in our dreams every now and then, you will be missed. Tell Dev's dad to visit us too. May you love and learn for all eternity.
