“ *To our colleague Jack and his wife Judy, Our thoughts and prayers are with you at this time of sorrow. Although I never had the privilege of meeting your father, seeing that he was an engineer - I know that he was a wonderful man who taught his son well. May the Lord bless and keep you and your family. Bill and Colleen Rezabek*

“ To my dear cousins - I am so very sorry for the loss of Uncle Franklin - As you know, he and I have had a "kindred spirit" for most of my life. We were, the "Secret Admirer's" of many years gone by. I am very sorry to receive this message, but hope that the end to him was not so painful. My Mother is very sad over the news. I relay her message that she is very sorry not to be able to come for the funeral. Mark and I will be there for you on Monday, as we take time, to honor and respect my "Favorite Uncle"!! You are in our prayers as we go into this time of remembrance and celebration of his most outstanding life. I can never forget him as my personal guide..... Love to you - Luann
