“ *Jere was part of the heart and especially the soul of the League of California Cities where I worked and was privileged to know both him and Madeleine for many years. His genuinely good heart was reflected in his smile, the twinkle in his eyes and his kindness to all. He doesn't need to be afforded sainthood in death, as he's already achieved that status in life. Although my relationship to the Melo's was strictly work related; I'm sure thousands of Californians share my feelings that this is not just a communal loss, but rather a personal loss. My sympathy extends to Jere's family, friends and colleagues throughout the state; the world. RIP Jere. Liz Birmingham, Sacramento, CA.*

“ To the entire Pollock family: I am deeply saddened to learn of Jack's passing. Having known Jack and all of you since I can remember and the wonderful childhood we experienced growing up on Main Street in Tiltonsville will always remain in my heart. The sled rides, fishing in the Ohio River, setting up our train sets, playing games, making popcorn at Mrs. Parsons summerhouse and so many other memories I treasure. My best surprise was seeing Jack and Mrs. Pollock( surprise guests) at my 50th birthday! Please party. Please know that all of you and especially Jack, will be in my thoughts and prayers. I feel a part of me is gone in his passing because we shared so much in our childhoods. Blessings to you all. In love and sympathy, Donnie Moffo
