“ Aunt Pat & family, My thoughts and prayers are with you all in the great loss of Uncle Jack. He now has the joy and happiness of what he has been waiting for, going home to be with the Lord for eternity. Uncle Jack left us all with something very unique, that was his joking, laughter and most of all his love. He had instilled that in all of his family and it shows without a shadow of a doubt. Uncle Jack doesn't want us to cry for him. He wants us to be happy for him as he has no more suffering in this life. He would want us to carry on his legacy as it will live on forever. He is looking down on us all along with his mother and father, his sister Susie, and of course Auntie Mary and many others having the best seat in the house. I'm here for all of you. Love always, Vicky
