“ *Many congratulations on your performace tonight. Although Chandi looked hot she gave her all. The look of sheer adoration and trust she gives you will stay with me all my life. I lost my old girl at 13 and a half just a year ago but up to her last and only 3 days of illness she had as much energy and joy of life that I see in Chandi.*

“ *Marcy and Kathy. You are in our thoughts and prayers. John was a dear, dear friend. He worked for Dycap for years and I was on the board, where I also met Art. John introduced me to Riverside Bible Church. He was a gem and will be missed. Charlie & Lulu Eichhorn*

“ I met John nearly 20 years ago after he and my father became friends. They shared interests in photography, aviation, radio-controlled airplanes and a host of engineering topics (and could talk for hours about all three). It turned out that their paths had crossed decades ago in professional circles. John inspired my dad and a mutual friend to explore new photography subjects and camera technology, and to go with him to industry lectures and landscape workshops. I was privileged to tag along to many of those events, and John quickly became our photography mentor and all-around favorite person to be with. We didn't get to see him often, but each meeting was an adventure and flew by all too quickly. Farewell to a magnificent soul. Marcy and family, my heart goes out to you in this time of loss. All my thoughts and prayers – Susan Scharenberg (and Bill Scharenberg, in spirit)
