“ *Grandpa was a very special man. We will always remember him for his gentle spirit, courage, strength, and GREAT sense of humor. He could make us giggle by just being around. We have so many great memories of visiting Grandpa and Lois (and Grandma) in Columbus. Some of the fondest memories are of the holidays. We would always gather around the kitchen while Grandpa carved the turkey with his electric knife. After dinner we would head to the main living room and sing carols while Suzie and Lois played the pianos. I remember one Christmas, Grandpa wanted to convince us that Santa and his reindeer visited while we were sleeping. He went out the bedroom window to "jingle bells" in the back yard. Grandpa had the dog "Schnapps" walk in flour, then through the living room to let us know the reindeer were there! We will miss Grandpa very much, but we know that we will meet again in Heaven. I always felt a special bond with my Grandpa since we shared the same birth date. I am honored to be his granddaughter and will miss him very much. We love you Grandpa! 2 Corinthians 5:8 We are confident, I say, and willing rather to be absent from the body, and to be present with the Lord.*
