“ *My father was a very gentle, kind and caring person. He loved everyone and always wanted the best for his family & friends . He always said "hi" to everyone he met (& never met a stranger) and always offered everyone a smile . My father is my inspiration and super hero . He touched many lives , but made a huge impression in mine . Love you dad. I will see you again one day. I miss you . Take care of ' The little guy ' . Lots of love from Kevin*

“ *Kevin*

I want to extend my condolences. I'm sure you're hearing what I have to say from everybody you talk to.

John Martin was as fine a man as there was. It was my good fortune to have John as a friend for more than 30 years. May he rest in peace.

“ Kevin: Just wanted to tell you how sorry I am that Jack has past he was a great friend and Father. I will miss very much sitting around at the cars shows and talking about car and kids. Jack seemed to know a lot about both and always had some advice for both. They say time heals all but sometimes it takes a long time. Gone but not forgotten.
