“ *John was one of my best friends and I'm glad I was able to make the bus trip from Chicago to say my goodbyes. John took care of me for over a year during a really hard time. He refused to let me get a job and insisted that I become a long term fixture on his couch. Although he would never want to admit it, he was a genuinely good person and would give the shirt off his back to help a stranger. I will miss John dearly and he will always be in my heart. -Matt McVader*

“ John was such a kind man. He was very understanding and helpful to my son when he was going through a difficult time. He always made time to talk. Though he'd had a lot of difficulties himself, he still had a lot of love and kindness for others. I'll always remember him skateboarding down West Longview.
