“ *My sincere condolences to the family of "John H. Maynard Jr." I have only met him through Facebook posts. But in all of our interactions, I perceived him to be a one of a kind true loving person, a mentor and a true family man. He always responded to my posts, most of the times he was the only one who did. Again, my condolences to his family and to all who knew this fine gentleman. From a Mighty St. Joe's member.* ”

“ I am very sorry to hear of John's passing. He and his great friend Dan Jones produced some outstanding drum lines at Marysville High School for many years. Much respect!

My condolences to John's daughters and their families, Tom and Mary and their families and his very good friend Danny.

John and I were a part of each other's lives since we were 13 years old. We shared ups and downs and thankfully remain friends through the years. I will miss him as well so many others.

John and I were friends at Watterson, he a year older than I. I lost contact with him after that. So sorry to hear of his passing. I remember his Mother and Father so well; they were very kind and loving people.
