“ *My best friend and next door neighbor in Columbus for many years. He was always there to help no matter what the project. I'll never forget when we were building his deck, he bought me a T-shirt to wear inscribed with "TELL ME WHAT TO DO", since I wasn't much of a handyman. Wish we could have gotten out there again to visit one last time.*

“ The best father in law and Paw Paw to me and our children. We are truly honored to have had him a part of our lives. I have had the pleasure of knowing him since I was 16 years old. Such a kind and loving man to everyone. What will bring us comfort is the many many memories that we hold so dear to our hearts. Dave, our kiddos and I will love you always, Paw Paw! ❤️

“ Such a dedicated father and husband! He was always there for us and attended all of our sporting events! I don't know how he ever managed that with a full time job, but he did it!!! All of my friends loved him too! He taught me all the things I needed to know to be successful in life, even when things are very difficult. I can't thank him enough for being the best Dad a daughter could ask for! I will miss him very much! 🙏❤️🙏❤️🙏
