“ *Jan and I are so sorry to hear of John's passing. John and I worked together many times over the years as our career's progressed thru GE. He was selfless with his time, and early on I relied on his advice and council. I always admired John's even-temperedness, especially in those high stressed times. It is with sadness that we realize he is no longer with us, but know we will see him again. Our thoughts and prayers are with you.*
