“ *I worked with John at the Ohio Department of Developmental Disabilities. He had a kind and gentle spirit and never failed to cheer me up when I was down. His devotion to the Ohio State Buckeyes was unmatched. To see him working at his desk before a game day surrounded by his Buckeye decorations was truly a wonderful sight to behold. If only the rest of us had such passion for the things we care about. John was one of a kind. I and his other co-workers miss him a lot.*
