“ Dear Pat, Connal, Maureen and families,

*I am so very sorry to hear about your father and grandfather's passing. I have many great memories of him and your mom from childhood. Every time Connal and I walked in the house, the first thing I could hear was the laughter of him and your mother coming from the kitchen / dining area. They were always laughing and having a great time together, and they always had plenty of smiles for us.*

*Someone told me when my father died, that even though he is physically gone from this earth, the relationship he formed with me would always remain. I have found that to be so true. I know your father treasured his relationships with his children, so I trust you will continue to find comfort in holding your relationship(s) with him close to your heart.*

*May God give you strength to get through the difficult days ahead, and may you find peace in knowing how much others care.*

*With love and prayers,  
Merrlyn Cahill*
