“ *I am so sorry to learn of Jack's passing. I was an occasional golf partner of his and our mutual friend Frank Hume. Perhaps more importantly my late wife and I lived for 29 years in the house that Jack built at Evening and Bryant. We knew that Jack's houses were better built than other Worthington homes. It was a great design and a pleasure to live in. He was a real community asset and a pleasure to know.*

“ *I am so sorry to hear of Jack's passing. My thoughts and prayers are with you. I am so sorry I cannot attend today but I will be with you in spirit. He was such a great neighbor all those years. He will be missed.*
