“ *Condolences to Shirley and her family. John was a warm and friendly and well respected man. John was our paper boy on Brinker Ave and my dad loved John. It has been nice seeing Shirley and John off and on over 70 years, here and there and it was like we had just seen each other recently. A lovely couple. Shane Oldfield*

“ *I am so sorry to hear of John's passing. I loved our many many conversations over the years, the pig troughs, coffee and so much more. I learned many things from John and the rest of the Hilltop Y's Men and much laughter! My prayers are with you all.*

“ *Our sincere sympathy for the family and Shirley. Many fun times together, John always had a warm smile. We have missed you at the last several West High gatherings.

“ *Our condolences to the family during this time. Uncle Scott always had a smile and would ask how we were doing with sincerity. The Scott's are in our prayers and one day soon by the Grace of God we can all be together again.*
