“ *Dear Grampa,  
You were pretty wonderful to me. You made me feel like family from the start. I still think of the story of your first date with Gramma and laugh. I hope to never forget it. You also paid me a wonderful compliment on my wedding day that often comes to mind. You were one of the good ones.  
I love you.

“ *Our thoughts and prayers are with your family. We met John many years ago aboard "The Buckeye Bandwagon" Bus and shared numerous Buckeye stories and laughter. We think of "Uncle John" every time we board the bus for football Saturdays. His smile and laugh will be with us always.*
