“ *John was a special friend and cousin to me. We grew up next door to each other and he was more like a brother to me. I felt I could talk to him about anything. Whenever he came back to town to visit he never failed to visit my Mom, his Aunt Aggie. He would sit and visit with her for hours and that meant so much to her. He was such a kind person. I am glad we were able to meet last year for supper and talk over old times. He will be missed. Brad, my thoughts and prayers are with you during this time. May God bless and give you peace.*
