

Johnny Ray Hackney

May 24, 1952 - August 12, 2025

Johnny Ray Hackney, a beloved husband, father, grandfather, and friend to many, passed away peacefully on August 12, 2025, at Grant Medical Center in Columbus, Ohio, surrounded by his loving family. He was 73.

Born in Inez, Kentucky on May 24, 1952, to Edith and Robert Hackney, Johnny grew up among the hills and mountains he loved so much. His early years in Kentucky shaped his enduring strength, warmth, and deep appreciation for life. He later made his home in Franklinton, Ohio, where he lived for over five decades after meeting the love of his life, Lorene. Together, they built a beautiful life and shared 53 joyful years of marriage.

Johnny was a man of strength and unwavering devotion. He was the rock of his family and a father figure to many beyond his children. He is survived by his wife Lorene, his siblings Garlin and Dorothy, and his children Sheena, Eric (Mandy), and Jason (Liz). He also leaves behind his cherished grandchildren: Britni (Stephen), Alicia (Christian), Grant (Rachel), Sydney, Morgan, Owen, and Elliot, and great-grandchildren Evelyn and Carter.

Those who knew Johnny will remember his quick wit, big heart, and contagious love for life. He found joy in simple pleasures—riding motorcycles with his sons, sharing laughter with his grandchildren, and doing anything and everything to make Lorene smile. His presence lit up a room, and his kindness

left a lasting impact on all who crossed his path.

Johnny lived with purpose and heart, embodying compassion and strength. His legacy will live on in the countless lives he touched.

Look twice. Save a life.

Calling hours will be held at Rutherford-Corbin Funeral Home, 515 High St., Worthington, Oh 43085 on August 21st from 12:00 to 1:00 pm with a prayer service to follow.

The Window by Rumi

Your body is away from me but there is a window open from my heart to yours.

From this window, like the moon I keep sending news secretly.

“ Was a customer of John’s when he worked at Rim and Wheel and later Truck Pro. John was always eager to help and especially tackle harder parts request. Enjoyed speaking with him about motorcycling with his sons on his weekend rides. John will be truly missed but will live on every time we speak about him.

“ *I met John back in 1988. I was just 18yrs old. He gave me my first real job as an adult at Rim and Wheel. I learned a lot from him while I was working with him. About a year or so after I met him my wife and I lost our baby girl. John and the rest of the people at rim and wheel came together as my family to help us. John was a big part of that. Over the years I never forgot that and am forever grateful for the love he showed to my very young wife and myself. He was a great man and will be forever missed and loved by all who knew him. R.I.P my friend.*
