“ *Heartfelt condolences for your loss.*

Your dad used to take me to the park and hit fly balls to me for what seemed to be hours. Funny thing though...during my softball career I found my position at shortstop not the outfield. He also helped me get my first 'real' tennis racket - a Jack Wilson autograph model, which I still have in my possession. Won my 1st tennis tourney with that racket. I treasure these memories.

Such a kind and generous man who has touched so many lives. I consider myself blessed for having known him. Heaven has gained another angel.
