“ *Dear Daly's Words seem inadequate to express the sadness I feel. You have my sincere condolences on the loss of your husband and father. It was with a great sense of loss when I heard of Joe's passing away, and I am truly saddened. Joe brought cherished memories to my childhood from the times our family outings to Mohican Hills, Halloween gatherings to the summer picnics. With the deepest sympathy, Craig Cole*

“ *Joan, We are so sorry for your loss. We will miss seeing Joe outside doing yardwork. Bill always enjoyed talking with him. As you already know, we are here should you need anything. Our prayers are with you and your family. May the happy memories be a source of peace to all of you. Love and prayers, Bill and Nancy Estabrook*

“Joan, Scott, Pam, Chris, Tracy and Bob Ronnie and I, and all of our kids want you to know how much you all mean to us and how much we will miss Joe. Sadness reigns at this time in our hearts, but I know Joe would want us to "get on with life". We have loved him from when we met him. His character and humor has made us treasure him more and more as the years past by. His zest for laughter has taught us to "lighten up" when things got tough. He has provided us with memories that will last our lifetimes...great memories!!! While these memories will surely make us sad, they will usually make us laugh...and always make us smile. We love you all and will be there whenever you need us. We will never forget the greatest invention of ALL TIMES... "The Thermos Bottle". We love you Joe and we will miss you. We will visit you in our quiet times and will always stay close to your family. With All of Our Love, Friendship and Laughter The Hisses
