“ *Dear Cheryl and Lewis,*

I still think of Joe often with a mix of fondness, happiness, and yet still a profound sadness that for now we do not have the pleasure of his company.

I also think of you both and wanted to take a moment to let you know that. May the peace that passes understanding be with you and comfort you. Sincerely, Ron

“ *Joe and I volunteered together in the German Village Sertoma club twenty some years ago. In the past ten years, I enjoyed seeing him at Probate Court or as a neighbor in Clintonville. His generosity of both his spirit and his time are engraved in my memory. His kindness will forever be etched in my heart. It was so good to know such a wonderful person. His passing reminds me to take the time to be kind to others - thank you for reminding me of that, Joe.*

“ A very, very good guy has left us. I first met Joe as the son of Joe Sr. at Franklin. We later worked together at Franklin...he as advisor at the front desk at 201 S. Grant and I as the registrar. We worked well together and he always asked substantive questions to advise the student accurately. I visited Franklin ~2000. Joe was one of the individuals I wanted to see again. But before I could look him up (since he still did evening hours), he found me. Like his father, Joe Sr., he was a master of human relations and treated everyone with respect and dignity. He made you feel that you were important and that your ideas mattered. Needless to say, I enjoyed working with Joe very much. This is a sad day for all of us who knew and worked with him.

“ Joe was a pleasure to work with. He delighted in the most complicated challenges in his quiet reserved way. I was deeply saddened to hear of his passing. He will be missed by everyone who had the privilege to work with him and we send our deepest sympathies to his loving family and friends. He was truly one of a kind.

“ Joe was a great person, colleague and friend. He and I were in Sertoma together and we enjoyed many outings and activities together. We continued a professional relationship for many years and gave several professional lectures together. He was always a great source of knowledge of estates and trusts.

“ Cheryl ... I am so sorry and shocked to hear about Joe. Over the past 15 years or so, if I had a legal problem I turned to Joe. He was one of a few Capital alumnae that I have been able to keep track of. We will miss him.

“ I was shocked to read about Joe's passing as I had talked to him couple weeks ago. I loved working with Joe at the "Front Desk" at Franklin. Many wonderful memories and conversations, especially over the latest Stouffers Entree aka "din din." Joe was a one of a kind friend and a great attorney. I will miss you my friend but God has called home another Angel. As Horace Mann once said: Let us not be content to wait and see what will happen, but give us the determination to make the right things happen. That is how Joe lived his life. God Bless you Joe and your family.

“ Dear Cheryl, I was shocked to see this in today's paper. Please know that Dick and I are thinking of you and will always remember Joe and his unique brand of wry humor. I will always remember the hours we played Euchre. I was usually paired with Joe who always told me, "No guts, no glory." Fondly, Cheryl

“ My condolences to all of Joe's family. The Erickson family has a long connection with the Frasch family in the University district of Columbus and in our neighborhood schools and St Luke church. It is good to read that Joe enjoyed such a full life!
