“ *Joe, Joe, Joe! Of course you left the world on April Fool's Day! So sorry I am just learning about our great loss. I so enjoyed working for you at Flixible and beyond. You were the best boss I ever had. Your support, encouragement and protection helped me propel to levels I never thought I would reach. Thank you for all you did. You were such a joker and made everyday worth coming in for. You will be greatly missed in the world. My best to your family.*

“ *Joe you are now in the hands of our loving Father. You have always been a kind loving and funny person. We will miss you but take consolation in knowing your pain and suffering is over. I Believe when you closed your eyes and opened them you were in the presence of Jesus. You would pick Easter to go home. Your loving sister, Winnie*
