“ I remember Joe from childhood when we would visit my Uncle Julie. With Harriet’s recent passing I saw this memorial posted as well. So many people in our Silver lineage have names beginning with J or H to honor great ancestors. I remember what a sweet man Joe was.

“ I did not know Mr. Joseph Silver, but my identical twin recently died. The day she died, I tried to go with her. Our best friend found a great support group, www.twinlesstwins.org. If Mr. Howard Silver needs their support, I recommend them. Each year we have an international conference. This past July, it was held in Dublin, Ohio. I will sign off the way we honor our twins, Susan, twin to Robin

“ I had the pleasure of working with Joe at ODJFS. I will always remember Joe for his tremendous knowledge, patience and kindness. He was always available when I needed help with legal questions. He was a true gentleman with a big heart. He will be missed by all who were lucky enough to have met him. My condolences to his family. My prayers will always be with you.
