“ *Deb, So sorry about losing Joe. I have the greatest memories of the things the three of us along with our old friends enjoyed together. I will always treasure them and keep him in my mind.*

“ *We will always remember Joe as the quintessential neighbor...he had a smile and a wave whenever he saw us, he'd cut down a broken branch for someone just to help out, and we will miss seeing him out in the yard mowing and planting, and shoveling snow with greater precision than the best snow blower in the world.*
