“ We could not make it to Aunt Joyce’s funeral, but will always remember and cherish her incredible hospitality. I will always remember the trips to Columbus and getting to stay at Aunt Joyce and Uncle Eldon’s house. She made the stay so much fun with her and Dad acting silly and the never ending supply of snacks!! She always made us feel like we were home. I know heaven is having one big laughing party right now with Joyce, your dad, Uncle Don, and my dad!! Love you all.

“Diane, Don, Carol, and family, I am honored with memories of you all, Joyce and Eldon, that will remain with me forever. Diane used to walk me to school when we lived across the alley, and invited me to church with you all. I remember Joyce driving that big station wagon around the neighborhood picking up kids that had been invited to Sunday School. I also remember times when she would spot something on a curb that someone was getting rid of and never hesitated to make one of us kids jump out and grab it. When we again lived in the same neighborhood a couple doors apart, we all continued to grow up together. I considered Joyce spiritual mother. She taught me my first memory verse, John 3:16, taught me how to harmonize by singing in my ear the alto part, and encouraged me to join the choir. She helped me through a tragic and traumatic time in my life and allowed me to live with you all during my senior year of high school. She was there when I went off to college in Houston, and insisted that I call her weekly to check in with her. She prayed with me and over me on numerous occasions, and reprimanded me like I was her own. Even though we grieve a great loss of such a Godly woman, I know that angels rejoiced when she walked through those gates, and I know she is singing in the choir. I am praying for peace and comfort for you all, and want you to know that I will never forget the kindness and love she showed me from an early age, all the way into adulthood. I love you all. Kim

“ *Diane, Don, Carol and rest of family, we are so sorry for your loss. She was a wonderful person and like a mother to us. I learned so much from her about God, cooking, gardening and how to be a loving and caring person. I remember sitting with her during holidays and birthday's and talking about when she grew up, her life and how to do things. I could talk to her about anything. I cherish those memories. She knew I loved her peanut butter pie and would make that on occasions. We loved her so much, she will be truly missed. I know she is in heaven watching over you. We love you and are praying for you. Bill and Vicky*
