“ *Joyce is my Aunt, she married my mother's older brother Don. She , a very special lady that gave us much love and support thru the years. I loved when they would come up here for summer vacations and holidays! I especially loved going to visit them in Kansas, we would have great family time together, go horse back riding and play with their beautiful German Sheppard they rescued from an abusive owner. I would guess that is where the love of animals came from... She and Uncle Don! When I lost my father about 7 years ago she sent the most beautiful card to us. I framed it and have had it hanging in my living room ever since. So my Aunt Joyce's love will always remain in my heart, and hang on my wall as a reminder of just how much she cares and loved us. I rejoice in your going home to our Heavenly Father. To your reuniting with your loved ones, and knowing I will see that beautiful woman I am privileged to call Auntie. Much love to the family and friends she left behind, I love you Aunt Joyce* ❤️❤️❤️❤️❤️

“ *Most people are not blessed with friendships that last for 40 years but this is the case with the Simon's and the Stanley's. I will miss the card playing and laughter that we shared with Joyce and Don but we are fortunate to be able to carry on the tradition with you girls and your husbands. I feel confident that Joyce has reunited with Don, Roberta, Shannon and the rest of the family she loved so much. I am pleased that you will be having a service here in Kansas so we can be a part of sharing memories at that time. Love to all of Joyce's family! Betty Stanley*
