“ *John and Brad Carol and I were very sorry to hear of Joyce passing. We were just reminiscing on our "Tennessee Road Trip" and how we enjoyed her wit, humor and sincerity. Our most heartfelt condolences. Fred & Carol Schwanke*

“ *Dear John and Bradley, I was not aware that Joyce was fighting this disease. I always felt a kinship with Joyce because of her mom being my godmother (and because we used to play with our dolls in her barn). I will remember her smiling face and contagious laugh. I visited John's and Phyllis' grave today and told them that even though they are a family again, they need give you and Brad their comfort and peace. Looks for the signs from Joyce, too.*

“ John, My sincere sympathy to you and your son Bradley. I have fond memories of Joyce and the times we shared at her Nuna's house on Lohr St. and our days at Shade High. May you find comfort in your days ahead. Sincerely, Joni Keller Barnes

“ Joyce is the reason my family and I came to St. Michael School last year from the west coast. After talking to her several times over several months, I knew we wanted to be where she was. I wanted the 'joy' of Joyce in our lives. We had it for one full school year. She made us feel special every time we saw her. We will really miss our "beacon" at SMS. Thank you Joyce, for bringing us to where we were meant to be. You will always be with us. The Gerlach Family

“ Dear Brad and Family, I am sorry to read that your Mom has died. Denise told me how very ill she has been. I know how close you were and I am certain you will miss her. Trust that God always has a plan for us and He has taken away her suffering. You are in my thoughts and prayers. God Bless. Lori
