“ *Mary and family, I was sad to read about your Mother's passing. I always appreciated how nice she was everytime I was visiting. Seems hard to believe that was 32 some years ago. You are in my thoughts in this time of sorrow.*

“ *Mary, please accept my condolences upon the death of your mother. Our visits together during my time at St. Michael Church were one of the greatest graces of my ministry. She was deeply desirous of prayer, of healing, and of freedom from all that prevented her from coming closer to Christ. May He console you and your whole family. Thank you for the phone call.
