“ *Dear Dave and Sue ~ We are so sorry to hear of Dave's Mother's passing; but to know she is in the arms of our Father and again with many of her loved ones who have gone before has to be somewhat consoling to you. We are currently out of state, but will be thinking and praying for all of you. Losing a parent is so very difficult. We pray that God will embrace you with his love ..... God bless ..... “ *I was so honored to be there with you all at the graveside service--- Juanita was certainly a special lady. I enjoyed chatty encounters with her at Big Bear over the years as well as times of sitting and interacting with her at social and meeting functions. And at dinner once at her house she gave me a hands on lesson on getting fruit stains out of table cloth... The greatest testimony to her is the love shown her by her family and especially grandchildren... Sweet peace, Juanita.*
