“ *I had the pleasure to meet Judy and family when attending All Saints of North America Orthodox Mission. We immediately hit it off and would often be thinking the same way about situations and life experiences. She was always a pleasure to converse with about different topics. During the following years, we did support each other through difficulty transition periods. I am honored and blessed by God to have had Judy in my life. My deepest sympathy! Memory Eternal! Love, Debbie Seeds :)*

“ I had the pleasure of meeting Judy thru our book club. Last winter when most of our members were in FL Judy and I were still meet each month. We had many wonderful talks and I also looked forward to our time together. In our conversations together we would always speak of her family, especially her grand kids. I hope it will bring you some comfort to know what impact that Judy has had on my life. I am very blessed to have known her.

“ Blessed repose with the saints for Judith, a very special example for all of us. To Alex and Family, may you recognize her loving presence everywhere in your lives as we are in communion with the saints. Milan has spoken about all of you and Alex Sr. every day now for 2 weeks - we have really been close. Being homebound, we can't attend, but may God's Great Mercy be with you, and may all of you reach out to Our Most Holy Theotokos for comfort and strength. Memory Eternal
