“ *John, I will always remember Judy as the vivacious, refreshing and welcoming neighbor. Judy opened the doors of your house and invited lady friends for me to meet and feel welcomed in our new Scioto Reserve home. It was always comforting when we shared memories of NJ, the common restaurants and places we used to visit. Judy felt so much pride having taught at the West Windsor-Plainsboro School District considered one of NJ greatest. John, Dave and I glad you and Judy came to our home for dinner a few weeks ago. It was probably her last outing. And while you and Dave were playing pool after dinner, she was telling me about Erik starting Law School and how proud she and you felt about it. We were also checking your stance while you were playing and we were correcting you. In spite of her leg discomfort, I know she had, we all had a great time. It was an almost getting back to normal evening. She was looking at the upcoming double surgery as the end of her misery. It was supposed to end her leg pains definitely. A restart to having fun and a more active life. I guess God had other plans for her. Judy, I loved you. Thank you for being so gracious my dear friend... until we meet again, To you John, Erik and siblings and family our deepest sympathy. In loving memory, Dave and Magda Gelaszus*

“ John, Lois and I are just in shock over the death of Judy. We have known each other for over 50 years. Going back to our college days, marriages, birth of our kids, the graduations, the weddings. The good times and bad. But I only remember ALL the good times. So, sorry we could not be with you in this time of sorrow, but our Hearts are with you and family, at this time. We love you, Hang in there.
