“ *Derik and I extend our condolences to your family. Derik had Mrs. Braithwaite as a fourth grade teacher at Forest Park Elementary during the 1987-88 school year. Judy helped Derik transition to mainstreaming during that school year. I volunteered in the classroom once a week as at the time I was teaching second grade on a job share basis. Many of Judy's creative ideas made their way into my second grade classroom and stayed with me for the 32 years I taught...the bear that went home on weekends that kids wrote about and the books the kids sewed are just two examples of how Judy was with me for many years. Judy and I also shared the battles of two diseases and we both were involved in fund raising efforts. While she was raising funds for Juvenile Diabetes, I was involved in Cystic Fibrosis which Derik and my other son have. We supported each others' causes. Judy was a master of teaching and I often heard from friends in education about how they had taken a class with this wonderful teacher or had heard her speak. Her life lives on through others. Derik and I are fortunate to have walked part of life's journey with Judy. Many blessings to you. Linda Pace*

“ *I am so sorry to hear of the loss of my colleague Judy. She was a fierce advocate for the teachers in Columbus for many years, never took "no" for an answer, and taught me the value of tenacity. She knew how to get things done and she loved living her life. My deepest sympathy are with her family, friends, and former colleagues.*

“ *John & Family To hear of your lost has sadden us. Our prayers and love are with you. God created humans with a yearning to live forever. The Bible says that he put “ a sense of eternity in their hearts.” Ecclesiastes 3:11. Psalm 83:18 Our first parents, Adam & Eve, were created perfect, with no defect in mind or body. (Deuteronomy 32:4) “The last enemy to be abolished is death.” (1 Corinthians 15:26) Imagine-no chronic aches and pain, no morbid fear or anxieties! Why, then do we die? Hope this thought and scriptures bring Comfort to your heart, as they have mine during this time of sadness.*

“ To the Huston/Braithwaite families: So sorry to hear about Judy. She was a sweet person and always had a smile on her face. She(and John) made us feel so much a part of her family from the very beginning. She was a super mom, mother in law, and Oma for Rocco and Judson. Be thankful that you have such good memories of her to help you through difficult times. love, The Pentz's
