“ *Dear Bob: We are so, so sorry for your loss of your soul mate and best friend, Judy. While we didn't know Judy well, the fact that you loved her (and always will!) means that she was truly a special and unique person. If there is anything that we can do to help you through this time of grieving, please let us know. You are in our prayers. The Goves*

“ *Dear Bob, I am so sorry for your loss of Judy. I know how much she meant to you as I saw it in your face and heard it in your voice when you would share your stories of how she loved and worked with your dog children Ripley, Gonzo and Thor. As I read the other entries about how gracious, kind and humorous she was and most of all how much she cared and loved the animal friends we share this earth with, I thought to myself what a magical lady and how lucky this world was to have her in it. She will be greatly missed. Please accept my deepest sympathies and prayers during this sad time.*

“ Bob, I will always remember Judy as warm and funny, kind and open minded, an animal lover, and so very intelligent. And a pretty good poker player. Judy changed my life forever with Reiki. I am so grateful I had the opportunity to know her. I am deeply sorry for your loss. Love, Laurel

“ Bob, we extend our deepest sympathies. Our memories of Judy are primarily from your annual Foresight Halloween Parties. We were fortunate to get to know her as such a gracious and fun loving hostess. She and Bob could talk at length about Ripley, Gonzo and Thor. The pride she took in your home and your life together was always evident in my conversations with her. She made us and everyone there feel so welcome and we fondly remember those special evenings.

“ I spent only a few visits with Judy in our lives, but each time I felt a warm connection with her. Her humor, her thoughtfulness, her openness, her engaging smile made us instant friends. I am so sad Bob has lost her.

“ Bob, Please accept my condolences on the passing of your wife, Judith. I was touched reading about her life and love for animals. I think you're probably not Catholic but want to share with you, ironically, that Judith died on the Catholic Feast Day of St Francis of Assisi who was noted for his love of animals. On that day, many churches have a service that blesses animals. I went to one myself. I trust that God will help you and your family through this difficult time. Sincerely, Tony
