“ *I meet Judy when the Board of Trade gave it's first GED college scholarship just a couple of years ago. Judy came to our graduation and presented the scholarship. I liked her instantly. She was that kind of person. She got teary eyed when the GED recipients spoke about the hardships they had overcome to get to graduation. Judy was a compassionate and sweet lady. We at the Franklinton Learning Center appreciate all she did to make the scholarship available to us. We will miss her sweet smile and ready laughter. I feel blessed to have known her even for such a short while.*

“ *Franklin County Veterans Memorial Board, Management and Staff have felt a huge loss upon hearing the news of Judy's passing. Not only did Judy hold several events with us she also interacted with many of our staff members on a personal level. Many of us would refer to Judy not only as a business associate, but also as a friend. We will all miss her smile and passion for her colleagues, friends, family and community. Our thoughts and prayers are with Judy's family and friends at this time.*

“ I was very sad to hear about Judy's passing. She was always so enthusiastic about life, she put herself completely into everything she did, and she brought all of us along with her. I can't really say how long we knew each other, but on and off, it was a very long time, and I value all of it. You are in my prayers, may you suffering be balanced by the love she gave to all of us.
